WELCOME TO LTC-NB!

The New Brunswick Association of Nursing Homes Inc. (NBANH) is pleased to invite you to the 2025 Annual General Meeting and Conference titled: This is Long Term Care in NB (LTC-NB). This event will be hosted at the Delta Fredericton on May 14th and 15th, 2025.

This event will offer sponsors and exhibitors a chance to connect with not only the nursing home sector of New Brunswick but the entire long-term care community. We trust this venue will give value to our tradeshow and with your support, we can make this event a great success!

NB Association of Nursing Homes' Convention & Tradeshow Participant will...

- Develop an understanding of the nursing home market in New Brunswick.
- Reach the decision makers of all 76 nursing homes representing over 5,000 residents and 7,500 staff across the province.
- Access to critical information to help you build a strong and beneficial relationship with each nursing home.

NBANH is a not-for-profit organization providing a range of membership services including labour relations, benefit and pension management, wellness programs and advocacy. Under the governance of our volunteer board of directors, we thrive on leading excellence in long term care and service delivery in NB.

As always, NBANH will work with exhibitors to provide maximum booth exposure and promote your products and services throughout the show. Keeping with tradition, a private reception for our nursing home members only will be held following the Opening Ceremonies in the exhibitor's area; wine and hors d'oeuvres will be served.
