AGM 2024

PRESIDENT AND CEO MESSAGE

We are so excited to be hosting the 2024 NBANH Annual General Meeting. This year we are anticipating another encouraging, educational, and reinvigorating 2-day event. Our event theme “*This is Long Term Care in NB*” sets the stage for the discussions that will follow our fantastic lineup of speakers. It hardly seems sufficient to say that there have been significant changes over the past year, given the experience of the previous few years, however, we all know that getting back to our normal business has presented some unique challenges. Meeting staffing levels has been a struggle in most areas of our province as has been the case in most areas of the world and especially in healthcare. In response to this challenge, homes have stepped up and sometimes even out of their comfort zone. There has been considerable effort put into international recruitment over the past year with the support of our stakeholders at the Departments of Social Development and Health. These efforts have led to positive results for many homes.

We congratulate the planning committee for once again organizing an exciting in-person event. Please join us in thanking Mélanie Eva for her wonderful leadership given to the AGM planning committee and NBANH staff in organizing this event. Without Mélanie, this event would not be possible. Thank you for your dedication and commitment, Mélanie.

Once again, we are pleased to welcome all vendors to the tradeshow and encourage all delegates to visit each booth. We thank vendors for their efforts to attend and to make their booths engaging, relevant, informative, and of course fun.... fun is very important.

Sincerely,

Harry Eagles
President, NBANH

Julie Weir
Chief Executive Officer, NBANH

PLATINUM SPONSORS

AGM PLANNING COMMITTEE MESSAGE

The AGM Planning Committee and I are thrilled to be able to organize an educational and fun event for the Nursing Home sector of NB. This conference includes a fantastic speaker line-up with a variety of topics that touch on the daily work of the leaders in LTC, as well as a social environment to encourage networking. The event sponsors and vendors are eager to share their innovative products or services so that at the end of the day, we all work towards improving the quality of life of our residents. And of course, a chance to win fantastic prizes with the Event Passport!

The AGM and Conference logo and theme *This is Long Term Care in NB (LTC-NB)* remains the same as it represents various senior services coming together to form a unified approach to quality of care for seniors, with nursing homes taking the lead. Though our sector evolves year after year, we continue to honour the residents as we continue to work together with partners and stakeholders to provide quality of care for the seniors in NB.

I want to give a special shout-out to the AGM Planning Committee members; Amélie Deschênes (Administrator at Les Résidences Jodin) and Julie Jollimore (Director of Care at Kenneth E. Spencer Memorial Home Inc.) for their dedication and assistance in organizing a successful event.

Enjoy the conference!

ASSOCIATED HEALTH SYSTEMS INC

For more than 25 years, Associated Health Systems has partnered with hundreds of healthcare facilities across Canada with our innovative fall management solutions helping to improve patient and resident care. Our fall reduction/injury prevention products represent our most advanced fall management solutions while allowing your facility to take its program to another level in terms of quality, safety and efficiency. It is also a way to support cost-saving goals—empowering you to reduce the incidence of falls and drive operational efficiencies through greater standardization across your organization. To create a safe and comfortable environment offering individuals with special needs and challenging conditions the autonomy to engage and satisfy their perceptual needs. Because it does not rely on verbal communication, Multi-Sensory therapy can reach those who would otherwise be almost impossible to connect with. Moreover, this client-centered philosophy can greatly improve the quality of life for people with disabilities and other limiting conditions.

BAXTER CANADA

Every day, millions of patients, caregivers and healthcare providers rely on Baxter's leading portfolio of diagnostic, critical care, kidney care, nutrition, hospital and surgical products used across patient homes, hospitals, physician offices and other sites of care. In Canada, we've been operating at the critical intersection where innovations that save and sustain lives meet the healthcare providers that make it happen for 85 years. With products, digital health solutions and therapies available in more than 100 countries, Baxter's employees worldwide are now building upon the company's rich heritage of medical breakthroughs to advance the next generation of transformative healthcare innovations. Baxter Canada and its over 1300 employees are located primarily in Ontario at the Head Office, CIVA Admixing and Technical Services Centres in Mississauga, and in Alliston – where Baxter operates Canada's only large-scale manufacturing plant producing life-sustaining intravenous and dialysis solutions. To learn more, visit www.baxter.ca and follow Baxter Canada on LinkedIn.

CANADA MEDCART

Corporate Member

Canada Medcart offers you the lightest, most ergonomic Long Term Care and Retirement Home medcarts available. Our medcarts are designed based upon the recommendations of a study of LTC medcarts. Canada Medcart carts include ergonomic features like aluminum construction which reduces the weight of our carts to reduce back strain from pushing a heavy cart and a lower, correct working surface height to reduce shoulder and back strain. Our Side by Side cart features a waist high narcotics drawer to reduce the strain of repeated bending to reach narcotics stored in a bottom drawer. Canada Medcart also offers a new Power Assist medcart to eliminate the effort to push a medcart! Canada Medcart is Canadian owned. Our medcarts are designed by Canadians for Canadian medication packaging. Canada Medcart is located in Toronto which means quicker delivery of carts and replacement parts than other companies without Canadian facilities to support Canadian business. Canada Medcart "makes an LTC nurses' life a little easier".

CARDINAL HEALTH

Empowering you to deliver care with confidence. As your essential partner, we help to simplify supply chain for a more sustainable and resilient Canadian healthcare, providing you trusted products, services and solutions. With us, you can deliver quality care to your patients and residents with peace of mind. Trusted products for your healthcare needs. We manufacture and distribute essential and differentiated products across the continuum of care. Solutions for long-term care start here. Delivering excellent resident care is your number one priority and it is ours too. As your trusted partner, we are committed to following through with products, clinical programs and insights that enhance resident safety and care. With our vast array of medical supplies, capital equipment and furniture, we have you covered. Our dedicated team is focused on building strong relationships rooted in ethics and exceptional customer care.

CARF CANADA
Associate Member

Founded in 1966, CARF’s mission is to promote the quality, value, and optimal outcomes of services through a consultative accreditation process and continuous improvement services that center on enhancing the lives of persons served. CARF’s person-centered approach to accreditation is an excellent choice for Aging Services providers including long-term care homes, supportive living, home and community services, independent senior living, personal supports services, case management, and adult day services. Organizations that have participated in a CARF accreditation survey demonstrate a higher degree of internal quality, greater involvement of persons served in their services, increased cohesion among staff members, and enhanced status of the accredited programs within the community.

CHANDLER
Corporate Member

At Chandler, we help Atlantic Canadian businesses grow. Our sales team is working every day to get you the products and services you need when you need them, and our selection is second-to-none. Crestline is Canada's premier bus dealer. Since 1975, Crestline has been serving health care institutions with reliable and quality bus options for safe and comfortable transportation. With the broadest wheelchair-accessible bus product range and our unique background in ambulance manufacturing, we are an ideal partner for health care facilities. A NBANH Corporate Member since 2013.

Our specialists will help you find a bus matching your needs, advise you throughout your buying process and stand by your side to help you protect your investment. Learn more at www.crestlinebuses.com.

Founded in 2002, DMC fulfills the employer role in the management of claims for workers' compensation and sick leave across Canada. With offices in Nova Scotia, New Brunswick, and Newfoundland and Labrador, DMC ensures effective and proactive case management systems are in place to reduce claim durations so that workers are safely engaged in Stay at Work/Return to Work initiatives for the benefit of all stakeholders. Services include WCB claims and sick leave management, return-to-work planning, and support, liaising with WCB, insurance companies and healthcare providers, developing customized training, and appeals representation. In addition, DMC provides occupational health & safety training, industrial hygiene services, ergonomic assessments, and psychological/organizational health education services.

ACCREDITATION MATTERS

Choosing the right accreditation body is essential.

The Value of CARF Accreditation:

- Promotes person-centred planning, service delivery excellence, and achievement of positive outcomes.
- Business improvement through the ASPIRE to Excellence framework for implementing industry best practices.
- Field-driven, nonprescriptive standards and a consultative peer review process.

We take pride in helping our valued customers select the right assisted living products and home medical equipment for their health care needs. For Long Term Care Clients our broad line includes standard Long Term Care & Bariatric Beds, Resident Room Furniture that is both attractive and practical, Pressure Prevention products that meet a wide range of clinical demands, Multi-Position Recliners, Wheelchairs, Bathing Systems, Bath Safety, Respiratory and mobility aids just to name a few. We strive to be your sole source supplier for all your facilities resident care needs. There are currently five Harding Medical locations - Halifax, Dartmouth, Sydney, Moncton and Charlottetown. We offer mobility & home medical equipment sales, rental and service to clients living in Atlantic Canada. Our friendly staff of product experts will help you select products that fit your lifestyle and budget.

HOMWOOD HEALTH

The need for strong Employee and Family Assistance Programs (EFAP) is significant. According to a report from The Mental Health Commission of Canada - among Canadian workers ages 15 to 75, 28.4% reported high work-related stress. This rate has gone down slightly since 2005, but a substantial proportion of workers are highly stressed most of their working days. Issues like these can lead directly to incrementally higher incidences of workplace injuries, mental health issues, conflicts, substance abuse and other physical, social and emotional problems. Homewood's EFAP and crisis management programs offer multilingual and fully accessible (24/7) service and, as the name suggests, the EFAP program is available to employees' spouses/partners and dependents as well.

QUALITY SOUND ALARM

Quality Sound Alarm provides complete monitoring, security, PA, Patient Wandering, Caregiver Alert and communication systems for properties throughout Atlantic Canada. Backed by over 40 years of experience, they are available around the clock to provide you with the right solution to meets your needs. Contact their team at 506-452-0161 or gsa@nb.aibn.com.

MÖLNLYCKE

Mölnlycke is a world-leading medical solutions company. Our medical solutions advance performance at every point of care – from the hospital to the home, providing wound management, pressure ulcer prevention and surgical solutions. Customers use our solutions in almost 100 countries – and we own operations in more than 40 of them. Although we're a global company, our headquarters are still in Gothenburg – just a short distance from the town of Mölnlycke (pronounced 'Mon-licka'). The place where the company was founded in 1849 and the origin of the Mölnlycke name. We're the company behind Safetac® – the revolutionary soft silicone-based technology used in many of our wound care dressings such as Mepitel® and Mepilex® that results in less pain for patients. Learn more at www.molnlycke.ca

MPT-INTL

MPT-Intl was founded in 1991. Recognized by our Multi Position Adjustable Tables, our mission is to help those with reduced mobility feel at ease and comfortable. At MPT, there are several values which we hold in high regard, and we expect these values in every member of our team. These values are honesty, integrity, respect, and familial values. We believe that these values set our team members to provide to our client's high-quality services in a very professional and efficient manner. Our proud dealer for New-Brunswick is Lawtons Home HealthCare.

PANASONIC CANADA INC.

Corporate Member

For over 100 years, Panasonic has been a global technology leader dedicated to providing innovative solutions that improve lives and better our society. The Nurse Call System exclusively from Panasonic is a scalable, cost-effective, fully integrated communications and alarm management system that improves resident satisfaction, caregiver morale and the company's bottom line.
